Dear Parent:

Foothill Knolls is offering a fun, engaging (STEM activities) day to recover attendance. If your child attends school on **Saturday, January 21st from 8:00 am to 12:00 pm**, one absence will be removed from his or her attendance record.

In addition to the fun lessons, a nutritional snack will be offered to all pupils for a charge of $1.25 out of their lunch accounts, or they may bring their own snack.

Please return the bottom of this letter to your teacher by **Wednesday, January 18th**. Contact school personnel if you have any questions regarding this great opportunity to improve your child’s learning and attendance.

Once again, this is a fun STEM learning day for students to recover attendance. This is not a consequence.

Thank you,

**Ruben Goussen**  
Elementary Administrator
